3rd Annual

CAWI HONORS

CARIBBEAN & AFRICAN WOMEN OF IMPACT HONORS GALA

The Caribbean & African Women of Impact (CAWI) Honors Gala is a Women's History Month celebration uplifting trailblazing women across industries and communities. Guided by our mission, "Give Flowers, Honor Legacies," CAWI celebrates impact at every level, from educators, community leaders, and military veterans to award-winning entertainers and global changemakers. We believe impact is not defined by celebrity or status, but by the difference women make in the lives of others.
